Since 1998, our partners, donors, supporters, and sponsors have generously supported our program service initiatives as we created six community programs to meet unmet needs of women and children in need.

These relationships enabled us to survive and grow during the past two years, despite the Pandemic. We are thrilled to share details about this achievement as we move ahead and plan for continued growth.

To achieve this accomplishment, we engaged members and others who volunteered many thousands of hours. We raised and spent all our funds locally, thanks to a generous, giving, and caring group of donors and supporters.

We maintained an 85% or higher return to the community and spent funds carefully. We are an all-volunteer organization and have no paid staff.

During the Pandemic shutdowns we developed an informative and comprehensive impact survey among our partners, evaluated all our program services, combined program delivery plans, realigned some distribution methods, and continued to find ways to increase our support for some of the most disadvantaged women and children in our community.

Our program recipients and partners are caught in the crossfire of isolation, societal issues, social disruption, and the chaos of the past two years causing a tremendous increase in the number of families and children needing services. Now, the women and children we support are experiencing increasingly difficult issues.

Our program partners are reaching out to Assistance League for even more help and support as the needs increase.

With gratitude, we express our sincere appreciation and remain hopeful and thankful for the continuing support of generous donors.

During the past year 11,619 children and adults benefitted from our six philanthropic programs.

OPERATION SCHOOL BELL® supplies new clothing, books, and hygiene products to students in forty-four elementary schools.
“Without the Assistance League partnership, students at my school would not have access to hygiene products such as toothpaste and toothbrushes. They are our most dependable partner.”

AL® CARES 4 KIDS (formerly Kinship Foster Care) supplies diapers, hygiene supplies, underwear, and socks to children in kinship foster care. After extensive review and evaluation, a new name and expansion adds support for children who are homeless, in foster care or kinship care.
“My experience with Assistance League has been amazing!!! They are always looking for ways to support foster youth and kinship caregivers. Now, they are providing support for homeless children.”

NEW BEGINNINGS is a collection of household essentials and supplies provided to families, usually a woman and her children, who are leaving domestic violence shelters setting up a new home away from their abusers.
“New Beginnings is a wonderful program. I am grateful to be a recipient of your kindness and goodwill.”

ASSAULT SURVIVOR KITS® include new clothes and toiletries delivered to over 47 Cincinnati area hospitals for survivors of sexual assault.
“Survivors come to hospitals after experiencing rape or violent assaults. Clothing is often taken as evidence. Assistance League provides fresh, clean clothes and hygiene products to our clients to leave and go to a safe place.”

DOMESTIC VIOLENCE KITS started in 1997 and helps women and their children, with a collection of essential supplies.
“The kit filled with essential supplies was unexpected but very much appreciated. I was relieved to see it!”

COLLEGE STARTER KITS are given to adult students enrolled at three local colleges and they receive a collection of needed school supplies.
“The new school supplies helped me focus on learning and decreased the financial stress with which I was dealing.”

We raise our funds *Responsibly* and manage them *locally*

Our funding comes from grants, a direct appeal campaign, special events and donations.
