All such solicitations shall indicate the number of responses needed to meet the quorum requirement and, with respect to ballots other than for the election of officers and board members, shall state the percentage of approvals necessary to pass the measure submitted. The solicitation must specify the time by which the ballot must be received to be counted.

(g) If there is any vote required other than election of the officers and board members, or if a qualifying nominating petition has been received by the Secretary, the corporation shall provide an appropriate means for members to ask questions and/or seek additional information from the Board and to share comments with other regular members. It is permissible for this to be accomplished either:
